

# Aley Underwood - Angel Bones

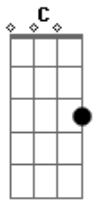

Tom: C

INTRO: C G Am Em C (3x)

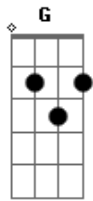

C G Am Em  
You're a flower blooming in the new dawn  
C C  
The colors around the setting sun  
G Am  
A candle in the dark  
Em C  
And you're every sailors beacon on the shore  
C G  
You're every perfect metaphor  
Am Em  
There's a culminating action of us all  
C C  
Sometimes there are miracles  
G Am  
And our hands do the job  
Em C  
For every action you move these thing along  
C G  
Everything you do moves these along  
Am Em  
Angels are hiding in the motions of humans  
C C

Angels are around to help us all  
G Am  
We are angels hiding in the bones of humans  
Em C  
Helping all these miracles along  
C G  
There's a golden key that opens any lock  
Am Em  
The path to get the thing you want  
C (Deixa soar)  
Is never really blocked  
C (pausa) G (pausa)  
And you're every persons' escort to the door  
Am (pausa)  
And every other person is yours  
Em (pausa)  
Every other person is yours  
C (deixa soar)  
Angels are hiding in the motions of humans  
C G  
Angels are around to help us all  
Am Em  
We are angels hiding in the bones of humans  
C G Am  
Helping all these miracles along  
Em C  
Along
