

Alfredo Del Penho? - Longe de Tudo

tom:

Intro: G7M F Am D7

G7M Dm
Passos, entreatos na calçada

E7 Em7
Rastros desse amor que deu em nada

Gbm7 B7 Em7
E era quase certo que daria

A7 A7 Am7 D7
Em tudo estava escrito um lindo fim

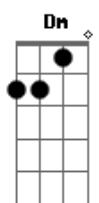

G7M
Toda noite era assim

Gbm7 B7
Tudo simples como a água

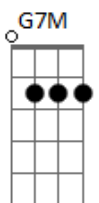

Em7 G7
E a certeza de acordar olhando o céu

Acordes

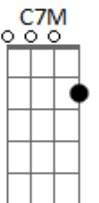

E as coisas do mundo ao seu redor
Sem complicar, sem distrair
Meus olhos sempre ali querendo os seus
Que tal sonhar de novo aqui longe de tudo?
Quem sabe se a dor esquece nós dois e vai embora
Seu sorriso agora, noite vai cair
Vem tentar de novo, amor
Pra que se despedir?
