1. For criminal acts and violence on the stage.
2. For gambling and drinking alcohol constantly.

For being a brat re-fusing to act your age.
For making us doubt our parents' authority.

Acordes

You'd gift wrap a leper and mail him to your Aunt Jane.

For all of the decent citizens you've enraged. You can
go to Hell.
For choosing to be a living obscenity. You can
go to Hell.
You'd even force-feed a diabetic a candy cane. You can
go to Hell.

You're something that never should have happened.
You

even make your Grand-ma sick.
