

# Alice In Chains - Alone

Tom: D

Em G A C  
 It's been a long day at the bottom of the hill  
 Em G A G  
 She died of a broken heart  
 Em G A C  
 She told me i was livin' in the past  
 Em G A C  
 Drinkin' from a broken glass

(chorus)  
 Em G A C  
 I'm alone  
 (i never want to be alone)  
 Em G A C  
 Now i  
 (now i turn to face the cold)  
 Em G A C  
 I'm alone  
 (i never want to be alone)  
 Em G A C  
 Now i

(now i wanna turn to travel home)

I walked down the other end today  
 Just to catch those last few rays  
 I held out my hand and slowly waved goodbye  
 I turned now, my eyes up to the sky

(chorus)

(guitar solo)

She'll come back to me  
 She'll come back to me  
 All alone in this misery  
 She'll come back to me

I held out my hands into the light and i watched it die  
 I know that i was part to play  
 My time, my time to die  
 And never want to spend my life alone

(chorus)

(solo)

## Acordes
