letra  
"Sure God is all powerful, but does he have lips?  
Whoa..."

Dear God, how have you been, then?  
I'm not fine, fuck pretending  
All of this death you're sending  
Best throw some free heart mending

Invite you in my heart, then  
When done, my sins forgiven?  
This God of mine relaxes  
World dies I still pay taxes

Can I be as my God am  
Can you be as God am  
Can I be as my God am

God of all my God am

So Lord, I see you grinnin'  
Must be grand always winning  
How proud are you being able  
To gather faith from fable

Can I be as my God am  
Can you be as God am  
Can I be as my God am  
God of all my God am  
God am  
My God am  
God am  
God

All the respect I'm giving  
Shared strength acquired by livin'  
All bloomin' life you're feeding  
Can't hide sick ones you're weeding

Can I be as my God am  
Can you be as God am  
Can I be as my God am  
God of all my God am  
God am  
God am  
God am  
God am
