Riff D:

Song goes as follows: Riff A: x2 Riff A: there's no reason

Riff A: to deny

Riff A: it's the season Riff A: of the lie Riff B: having someone

Riff C: grin at you Riff A: look at little fingers

Riff A: pointing truth

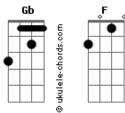

Riff ${\bf D}$ is chorus - but it's kind of jammy so i've put the chords below lyrics for easier

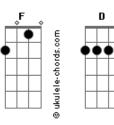

interpretation

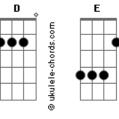

Man it's a weight on my mi_F F F E E A A xx G G : E A A xx G G x F F F And that's fi But now we wade past the point of decli F E A F F F E E A A XX G G X F F F There's no ti_ me E A A xx G G x F F F

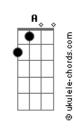

there you go, also it's maybe in dropped d but i did this rather quickly so there could yes, all this repeats with other lyrics, and the solo backing is just normal verse riff progression
