Or disguising truths I've sold

Hits me all so cold

G A  
Find me sittin' by myself

E  
No excuses, then I know

A B  
It's okay

A B  
Had a bad day

A B A  
Hands are bruised from

B  
Breaking rocks all day

Drained and blue

I bleed for you

You think it's funny

Well you're drowning in it too

Everyday it's something

Hits me all so cold

We'll walk down the line

A B  
Leave our rain

A B  
A cold trade for warm sunshine

You're my friend

I will defend

And if we change

Well I love you anyway

Everyday it's something

B  
Hits me all so cold

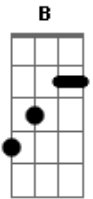

G A  
Find me sittin' by myself

E  
No excuses, then I know
