

# Alice In Chains - Queen of the Rodeo

Tom: **Ab**

(Alice in chains)

h: hammer-on

Main Riff :

My daddy was a trucker  
 Left home when I was three  
 He fell for some dude in dallas  
 Then it was mom and me  
 She always wanted a daughter  
 Well look at what she got  
 A`hit me, beat me, a faggot I ain`t  
 But a real man they say I`m not  
 I`m the queen, queen o the rodeo  
 Queen, queen of the rodeo

Riff 2:

So cowboy, if you`re look in for lovin`  
 I ain`t no queer, go fuck a steer

Main Riff

" I think there`s one over there??

Riff 3:

Main Riff

I drink too much, I smoke too much  
 I`m a human waste  
 I buy a lot of cheap alcohol

But I`ll tell ya honey, I really hate the taste  
 I dressed in drag, they call me a fag  
 But boy, I really don?t care  
 Cause last night I met your mother, fucker  
 And I hope ya like to share, cause she did  
 I`m the queen, queen of the rodeo  
 Queen, queen of the rodeo

Riff 2

So cowboy, if you`re look in fight  
 I ain`t no wimp, I scratch and bite

Main Riff

" And I`m gonna kick your ass too??

Riff 3

Queen, queen of the rodeo  
 (pausa)  
 FUCK YOU!

Main Riff

Queen, queen of the rodeo  
 Queen, queen of the rodeo

Outro:

(Acrésciente ao Main Riff em algumas partes)

Obs: Esta cifra é da versão ao vivo, que tem algumas diferenças em relação a versão de estúdio que é cheia de solinhos e parece estar em outro tom. Também há pequenas mudanças na letra. O Jerry Cantrell sempre afina a guitarra meio tom abaixo, mas esta música eu prefiro tocar assim.
