

# Alice In Chains - Rooster ( Live )

Tom: **D**

verse chords are **Gb** then Fadd11 , followed with A and then **A** . Don't quote me on the chord names, and stress the trebble change.

then there is the "yeah here comes the rooster" bit which goes **B** then **D** (xx4232) then **Gb** to **Gb** again stress the treble.

and the whiny wah bit goes as below

```

G 4 3 4 6 6 4 4 6 4 2 | 4 3 4 6 11\9 11 10 11 11 9 9
D | 4 2 x |
A 2 1 2 4 4 2 2 4 2 1 | 2 1 2 4 9\7 9 12 9 9 7 7
  
```

**E**

The lyrics are on the album sheet, and you're gonna have to listen to it to get timing etc... if I've missed any crucial parts, mail me and I'll see if I can remember... terminal is at varsity, guitar is at home :(

hope this helps... if you know any Sap or Jar songs - i'd love it if you could show me them :)

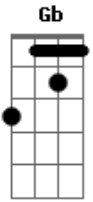

take care
