

# Alice Kristiansen - Lost My Mind

tom:

Gbm

[Primeira Parte]

You're the sound of a song and  
 I can't get you out of my head  
 You're the calm in the storm  
 You're the voice saying come back to bed  
 Maybe I'm just too tired to keep running  
 Maybe you're what I never saw coming

[Refrão]

Am I in your head, half as often as you're on my mind?  
 If I don't make sense, please forgive me I can't sleep at night  
 At least not alone, not anymore  
 Not since I found what I never went looking for  
 And now you're in my head  
 I must've lost my mind

[Segunda Parte]

You're the scars on my skin  
 You're the past I don't wanna erase  
 You're the words on my lips that have left  
 But I still seem to taste

Maybe I'm just too tired to keep lying  
 Maybe you're all I ever wanted

[Refrão]

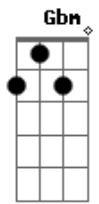

Am I in your head, half as often as you're on my mind?  
 If I don't make sense, please forgive me I can't sleep at night  
 At least not alone, not anymore  
 Not since I found what I never went looking for  
 And now you're in my head  
 I must've lost my mind

[Ponte]

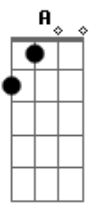

There's an empty space beside me  
 And I'll keep it that way  
 Until you're here  
 I need you here  
 There was another face beside me  
 But I sent it away  
 Cause you're not here  
 Here

Am I in your head, half as often as you're on my mind?  
 If I don't make sense, please forgive me I can't sleep at night  
 At least not alone
