

Alice Phoebe Lou - Galaxies

Tom: **G**

My mind is filled with galaxies
 It's all I see
 It's all I see

Way up in the highest trees
 I feel the breeze
 I feel the breeze

Take me on your boat one day
 We'll fade away, we'll slip away
 We'll go away, we'll be away
 We'll stay away

We'll go down the longest stream
 Reflected in a sunbeam

Just a speck of dust in the milky way
 We'll fade away, we'll slip away
 We'll go away, we'll be away
 We'll stay away

We'll go down the longest stream

Reflected in a sunbeam
