

Alicia Keys - Girl On Fire

Tom: A

She's just a girl, and she's on fire
 Hotter than a fantasy, lonely like a highway
 She's living in a world, and it's on fire
 Feeling the catastrophe, but she knows she can fly away

Oh, she got both feet on the ground

And she's burning it down
 Oh, she got her head in the clouds

And she's not backing down

This girl is on fire
 This girl is on fire
 She's walking on fire
 This girl is on fire

Looks like a girl, but she's a flame
 So bright, she can burn your eyes

Better look the other way

You can try but you'll never forget her name
 She's on top of the world
 Hottest of the hottest girls say

Oh, we got our feet on the ground

And we're burning it down
 Oh, got our head in the clouds
 And we're not coming down

This girl is on fire
 This girl is on fire
 She's walking on fire
 This girl is on fire

Everybody stands, as she goes by
 Cause they can see the flame that's in her eyes
 Watch her when she's lighting up the night
 Nobody knows that she's a lonely girl
 And it's a lonely world
 But she gon' let it burn, baby, burn, baby,

This girl is on fire
 This girl is on fire
 She's walking on fire
 This girl is on fire
