

Alicia Keys - Kill Your Mama

tom:

Intro: **Dm**

Uh...Comeon...Feel me...Yes

[Primeira Parte]

Dm
Shame on us, all your sons and your daughters

Thieve all your gold and we poison all your waters

Every piece of our soul is for sale now they bought us

Think we know it all then look at where it got us

[Refrão]

F
Oh, mama, mama

G
Oh, mama, mama

Dm
You're crying to the wind uh huh

[Segunda Parte]

Dm
Trying to play God, even fucking with genetics

All that you have given and we only disrespected

The rate that we're going premature Armageddon

That's what's gonna happen if we let it

[Refrão]

F
Oh, mama, mama

G
Oh, mama, mama

Dm
You're crying to the wind

[Ponte]

F
Is there any savin' us

G
We've become so dangerous

F
Is there any changin' us

G
Even for the sake of love

F
How you gonna kill your mama

G When only mama is gonna love you to the grave **Dm**

[Terceira Parte]

Dm
Killing our selves, falling down with the sickness

Money is the king, it's a dirty bloody business

There will be no trial, but the child will always witness

If we're in love with hell, why the hell would heaven visit

[Refrão]

F
Oh, mama, mama

G
Oh, mama, mama

Dm
You're crying to the wind

[Quarta Parte]

Dm
When mama gets the belt you gon' wish you didn't do it

Had your chance for redemption, but you fucking blew it

Now the weather's changin' and the hurricane is moving

Right in your direction, what direction are you choosing

[Refrão]

F
Oh, mama, mama

G
Oh, mama, mama

Dm
Forgive us for your pain

[Ponte]

F
Is there any savin' us

G
We've become so dangerous

F
Is there any changin' us

G
Even for the sake of love

F
How you gonna kill your mama

G When only mama is gonna love you to the grave **Dm**
to the grave uh uhhhh

How you gonna kill your mama uh uhhh

How you gonna kill your mama uh uhhh
