

# Alicia Keys - Sweet Thing

Tom: F  
Intro: (Dm G) x2

In the beginning, when life was simple we were at each other night and day

you were so sensual and so inventive we said we'd stick together come what may

In the beginning, you were so brutal You turned the heat on in the afternoon

Get so excited, get so addicted You had me eating from your golden spoon

Now I don't wanna spoil the party I know it goes against the grain

As the plane touched down I got movies of you running through my fevered brain

(I really love my sweet thing, I can't give her up) x3

In the beginning, when we were winning I was your ever-present love-sick fool

You turned the heat off and left me standing Freezing by your swimming pool

(I can't give it up, I can't give it up) x2

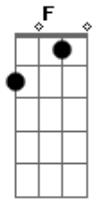

Now I don't wanna spoil the party I know it goes against the grain

As the plane touched down, and the midnight moon can't just walk away

(Really love my sweet thing, wanna' lick it up) x2

(Really love my sweet thing, can't give it up) hasta el final
