

# Alicia Keys - Unthinkable

Tom: C

(intro) Am7 C7M F7M

(verso 1)

Moment of honesty

Someones gotta take the lead tonight

Whose it gonna be?

I'm gonna sit right here

And tell u while it comes to me

If u have something to say

U should say it right now (u should say it right now)

(pré-refrão)

U give me a feeling that I never felt before  
And I deserve it, I know I deserve it

It's become something that's impossible to ignore  
And I can't take it

(refrão)

I was wondering maybe

Could I make you my baby

If we do the unthinkable will it make us look crazy

If you ask me I'm ready (I'm ready, I'm ready)

If you ask me I'm ready

(verso 2)

I know you once said to me

"This is exactly how it should feel when it's meant to be"

Time is only wasting, so why wait for eventually?

If we gon' do something 'bout it

We should do right now (we should do right now)

(pré-refrão)

(refrão)

(ponte)

Why give up before we try

Feel the lows before the highs

Clip our wings before we fly away

I can't say I can't compared

I'm suspended in the air

Won't u come be in the sky with me

(refrão)

## Acordes
