

# Alicia Keys - Work On It

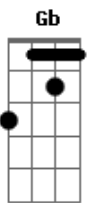

tom:  
 Oh baby, some may think that we moved too fast  
 But I know you and you know me  
 Baby, that's what makes it last  
 Darling, so many lies were spread about us  
 Oh, that's the heartache, that's the heartache  
 That makes us build all the trust  
 I know some people like to say  
 That the easiest way is to fake it  
 We gonna make it if we try  
 Gotta promise not to abuse it  
 If you use it, don't lose it or break it  
 'Cause we gonna make it  
 You and I  
 When they see us coming they'll say  
 Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh  
 oh-oh, oh-oh, oh-oh, oh-oh  
 Work on it, work on it, work on it baby  
 Some days are hard  
 There ain't no easy way

No matter how we try  
 Nobody is perfect  
 But if we just love each other through it all  
 that makes it worth it  
 I know some people like to say  
 That the easiest way is to fake it  
 We gonna make it if we try  
 Gotta promise not to abuse it  
 If you use it, don't lose it or break it  
 'Cause we gonna make it  
 You and I  
 When they see us coming they'll say  
 Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh  
 oh-oh, oh-oh, oh-oh, oh-oh  
 Work on it, work on it, work on it baby  
 When they see us coming they'll say  
 Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh  
 oh-oh, oh-oh, oh-oh, oh-oh  
 Work on it, work on it, work on it baby  
 Oh, we gonna work on it, baby  
 Me and you, we gonna work on it, baby
