

Aline Frazão - Assinatura de Sal

Tom: E

Intro: Gbm7

Soa no ar uma melodia
E já posso sentir na pele a maresia

Deixar sua assinatura

De sal

Na cara como uma pintura
De cal

Abrindo a janela o frio a memória
Esqueceu

Num momento em que o peito apertado escreveu

No vidro gelado a vapor

Uma frase perdida de amor
Eu juro

Que posso ouvir daqui

A espuma da onda dengosa que enrola na areia

Antes de adormecer

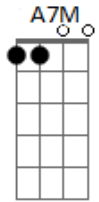

Juro que posso ouvir daqui

O som do gingado que faz a kianda sereia

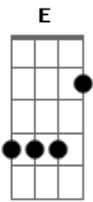

No mar até ao amanhecer

Até ao amanhecer
