

# Alirio Netto - Here I am

tom:

Here i am  
 Leaving all the past behind me  
 I've got you under my skin  
 Here you are  
 Like an angel sent from heaven  
 In my eyes you are complete  
 I do its all i nedd  
 For you ill cross the sea  
 In you ive found myself  
 Believe me when i sing  
 Ive been searching for you  
 For so long  
 Here i am  
 Leaving all the past behind me  
 You've got you under my skin  
 Here you are  
 And to your voice i will surrender  
 Even now its hard to breathe

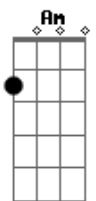

( C D7 F )

I do its all i nedd  
 For you ill cross the sea  
 In you ive found myself  
 Believe mewhen i sing  
 Ive been searching for you  
 For so long  
 Here i am  
 Leaving all the past behind me  
 I've got you under my skin  
 And to your voice i will surrender  
 Even now its hard to breathe

( F G Am C )  
 ( F G Am G )

Here i am  
 I've got you under my skin  
 Here you are  
 And to your voice i will surrender  
 In my eyes you are complete  
 Here i am
