

# The All-American Rejects - There's A Place

Tom: B

(com acordes na forma de G)  
Capostrate na 4ª casa

[Verse 1]

There's a <sup>G</sup> place  
Somewhere that's between dream and <sup>Bm</sup> awake  
That's where we'll find each other  
And I know that that sounds stupid  
It'll give us both something to find  
G|- G - G - G

When we were kids  
All run-and-gun and back-talk kinda kids  
We'd get drunk out on the sidewalk and we'd laugh ourselves home  
Used to do that kinda shit all the time  
And what I fight today  
I always keep those yesterdays in my mind

[Chorus 1]

All I want, wanted  
Was to be want, wanted by you

[Verse 2]

Cause when goodbyes  
Get easy, we'll all be alone  
But why God, why?  
Can't this one just be even though

That I'm gearing up for this battle  
Even if I know that I may never win  
When you throw yourself away  
Just to throw yourself away again

[Chorus 2]

All I want, wanted  
Was to be want, wanted by you  
All I need, I needed  
Was to be need, needed by you

[Bridge]

In your heart, that's where I'll always be  
Now close your eyes and I will never leave  
It's funny how I see us hand in hand  
I miss you already, understand  
That I know that you aren't ready  
But you don't get to pick the day  
That the worst one in your life will land right on  
I can hear you beg for more  
I can hold you in this song

[Chorus 3]

All I want, wanted  
Was to be want, wanted oh by you  
By you, by you, and honey  
All I need, all I needed  
Yeah, was to be, just to be needed by you

## Acordes
