

# All Good Things - Beginning Of The End

tom:

Em

Im staring into the valley of hell

B7

Whit a cross on my heart

D

And smoke on my breath

Em

We are outnumbered but I'm not scared

B7

I am ready to die

D

Shoot my soul through the sky

Em

Father forgive us for what we may do

G

Sometimes we lie when we search for the truth

B7

We sell who we are cos we don't want to lose

Em

I hear the heroes calling out my name

B7

In Valhalla they wait

D

Preparing my place

Em

I'll take fire from the edge of the sun

B7

Put the crown on my head

D

Either way I have won

Em

Father forgive us for what we have done

G

We have to finish what we have begun

B7

And pray that tomorrow we may see the sun

Em

There's a red dawn over the land

B7

Fate's dealing it's hand

D

Times ticking to leave

Em

While you still can

G

Calm before the storm

B7

Pride before the fall

D

Goodbye to it all

Em

Good luck my friends

G

This is the beginning

B7

This is the beginning of the end

Em G B7 D x2

Em

Blood in my eyes

G

Dirt on my hands

B7

I got a bulletproof heart

D

And I'm ready to dance

Em

Blood in my eyes

G

Dirt on my hands

B7

I got a bulletproof heart

D

Yeah I'm ready to dance

Em

There's a red dawn over the land

B7

Fate's dealing it's hand

D

Times ticking to leave

Em

While you still can

G

Calm before the storm

B7

Pride before the fall

D

Goodbye to it all

Em

There's a red dawn over the land

B7

Fate's dealing it's hand

D

Times ticking to leave

Em

While you still can

G

Calm before the storm

B7

Pride before the fall

D

Goodbye to it all

Em

Good luck my friends

Em

There's a red dawn over the land

B7

Fate's dealing it's hand

D

Times ticking to leave

Em

While you still can

G

Calm before the storm

B7

Pride before the fall

D

Goodbye to it all

Em

Good luck my friends

C

My friends, good luck my friends

Em

This is the beginning of the end
