

# All That Remains - The Waiting One

Tom: E

**Dbm** **B**  
I am the waiting one it seems

**Dbm** **B**  
I am the waiting one it seems

Days grow somber quickly  
**Dbm** **B**  
Now how the quiet is release

And I feel so lonely

**Dbm** **B**  
How did you think I would feel?

**A**  
Throw me aside again

**B**  
How did you think I would feel?

**A**  
Won't let you hurt me again now

**Dbm** **B**  
I'm nothing to you I can see

**Gbm** **A**  
Just walk away from me

**Dbm** **B**  
I'm torn apart I can't believe

You'd stand and watch me bleed

**Dbm** **B**  
She was the one thing I believed

That I needed to hold me

**Dbm** **B**  
Still I can smell her, hear her breathe

Feel her body beside me

**Dbm**  
How long I've waited, waited for you

To come back to hold me

What should I, what should I, what should I do

When I feel so lonely

**Dbm** **B**  
How could you do this to me?

**A**  
Betrayed by my closest friend

**B**  
How could you do this to me?

**Dbm** **B**  
Won't let you hurt me again

**Dbm** **B**  
I am the waiting one it seems

**B**  
How could you do this to me?

**A**  
Won't let you hurt me again now

**Dbm** **B**  
I'm nothing to you I can see

**Gbm** **A**  
Just walk away from me

**Dbm** **B**  
I'm torn apart I can't believe

You'd stand and watch me bleed

**Dbm**  
What should I, what should I do?

Oh how long I have waited

What can I, what can I do

When I feel so lonely
