

All Time Low - Basement Noise

tom:

Intro: E B Dbm A

E
We used to be all hypothetical
B
A fever dream, can't get hysterical
Dbm
Found a space and time?in?the Holocene
A
Make believe,?make believe yeah
E
Cut our teeth chasing?the weekend
B
Capsize and fall in the deep end
Dbm A
Outta line, don't mind the pretense now
E
How were we supposed to know
B
It all adds up when you let go
Dbm A
And where are we supposed to go from here
E
We're too far gone to turn back now
Dbm A
And all for nothing if it disappears

E B
They're just stupid boys making basement noise

In the basement, noise in the basement
Dbm A
Just stupid boys making basement noise

In the basement, yeah yeah
E B
They're just stupid boys making basement noise

In the basement, noise in the basement
Dbm A
Just stupid boys making basement noise

In the basement, yeah yeah

(E)

E
Telephone the girls from the next street
B
Wonder if the sounds are connecting
Dbm A
Trying to see the future in what they see in us, see in us now
E
Wanna ditch the predictability
B

Hit the road, 18 on 83

Dbm A
Some are lost, some are found, the world is shrinking down
E
How were we supposed to know
B
It all adds up when you let go
Dbm A
And where are we supposed to go from here
(Where are we supposed to go from here)
E
We're too far gone to turn back now
Dbm A
And all for nothing if it disappears
