

# All Time Low - Canals

Tom: G

I <sup>B</sup>Am <sup>E</sup>A critic  
 Of my own <sup>A</sup>critical need to define myself  
 With <sup>E</sup>wine, and words, and <sup>D</sup>lovers  
 And <sup>A</sup>friends who don't understand  
 So there, I just <sup>E</sup>said it  
 You know that <sup>D</sup>admitting the problem  
 Is the <sup>B</sup>first step towards <sup>Em</sup>repair  
 "We all <sup>D</sup>recover"  
 Say the <sup>Gb</sup>friends turned to wine-drunk <sup>Bm</sup>lovers  
 Smile, tell me I'm <sup>D</sup>alright with a <sup>Gb</sup>goodbye  
 You are so <sup>D</sup>misleading  
 A <sup>G</sup>kiss or a gun fight - high-noon or <sup>A</sup>midnight  
 Darling, I don't want to <sup>D</sup>know  
 If I'm just a <sup>D</sup>short sight on a <sup>Gb</sup>cold night  
 The <sup>Bm</sup>canals are freezing  
 So tell me I'm <sup>D</sup>alright with a <sup>A</sup>goodbye  
 ( B E D A )  
 Am I <sup>Bm</sup>A <sup>Em</sup>villain  
 Cast among <sup>D</sup>heroes

With all of their <sup>Bm</sup>underwhelming, <sup>Em</sup>overbearing <sup>D</sup>struggles  
 To become what they'll never be?  
 Friends to the <sup>Gb</sup>wicked  
 Caution is <sup>Bm</sup>calling, but nobody's <sup>D</sup>home  
 The <sup>Em</sup>lights are off, the party's <sup>D</sup>over  
 Now you're stuck <sup>Gb</sup>plucking three leaf <sup>D</sup>clovers  
 Smile, tell me I'm <sup>D</sup>alright with a <sup>Gb</sup>goodbye  
 You are so <sup>D</sup>misleading  
 A <sup>G</sup>kiss or a gun fight - high-noon or <sup>A</sup>midnight  
 Darling, I don't want to <sup>D</sup>know  
 If I'm just a <sup>D</sup>short sight on a <sup>Gb</sup>cold night  
 The <sup>Bm</sup>canals are freezing  
 So tell me I'm <sup>D</sup>alright with a <sup>A</sup>goodbye  
 You've got the <sup>Em</sup>high ground  
 And I'm on my <sup>A</sup>best defence  
 But I dare you to <sup>Em</sup>come down  
 I'll give you an <sup>G</sup>eye for an <sup>A</sup>eye  
 If it makes things <sup>C</sup>easy  
 ( Bm D Gb )  
 Smile, tell me <sup>D</sup>alright with a <sup>A</sup>goodbye
