

# All Time Low - Dirty Laundry

Tom: C

I don't believe in saints  
 They never make mistakes  
 I know it's not my place  
 Who am I to tell you that you need to change?  
 ( F C Am Em )  
 Her closet's such a mess  
 Filled up with all the skeletons she's kept  
 Nobody's perfect I confess  
 But she's perfect enough without ever dressing up, yeah  
 Dirty laundry is piling in her room  
 She's got her secrets, yeah I've got mine too  
 I don't care about what you did  
 Only care about what we do  
 Dirty laundry  
 Looks good on you  
 ( F C Am Em )

Now here's some honesty  
 Sometimes I trip over your history  
 Wish I could change my mind  
 But it's the things I shouldn't see that always catch my eye  
 Dirty laundry is piling in her room  
 She's got her secrets, yeah I've got mine too  
 I don't care about what you did  
 Only care about what we do  
 Dirty laundry  
 Looks good on you  
 ( F C Am Em )  
 ( F C Am Em )  
 Dirty laundry is piling in her room  
 She's got her secrets, yeah I've got mine too  
 I don't care about what you did  
 Only care about what we do
