

All Time Low - Dirty Laundry

Tom: C

I don't believe in saints
 They never make mistakes
 I know it's not my place
 Who am I to tell you that you need to change?
 (F C Am Em)
 Her closet's such a mess
 Filled up with all the skeletons she's kept
 Nobody's perfect I confess
 But she's perfect enough without ever dressing up, yeah
 Dirty laundry is piling in her room
 She's got her secrets, yeah I've got mine too
 I don't care about what you did
 Only care about what we do
 Dirty laundry
 Looks good on you
 (F C Am Em)
 F Am

Now here's some honesty
 Sometimes I trip over your history
 Wish I could change my mind
 But it's the things I shouldn't see that always catch my eye
 Dirty laundry is piling in her room
 She's got her secrets, yeah I've got mine too
 I don't care about what you did
 Only care about what we do
 Dirty laundry
 Looks good on you
 (F C Am Em)
 (F C Am Em)
 Dirty laundry is piling in her room
 She's got her secrets, yeah I've got mine too
 I don't care about what you did
 Only care about what we do
 Dirty laundry
 Looks good on you
 (F C Am Em)
