

All Time Low - Do You Want Me

Tom: C

I let it ride on a bad bet
 I doubled down on a sinking ship
 I need a second to catch my breath
 Do you want me?
 Or do you want me dead?

(F Bb F Bb)
 I'll give it up for at least a second
 I'm getting sick of your bullshit attitude
 And how you walk around like you shine brighter, it's killing
 me
 So what do you say?
 Do you want me?
 Or do you want me dead?

(F Bb F Bb)
 I've got my hands up! (yeah, yeah)
 I'm staring down the barrel of a loaded night (loaded night)
 I've got my hands up! (yeah, yeah)
 So do you want me?
 Or do you want me dead?

(Intro)
 I'm sure you're happy in harborside
 You're taking shots at the strangers passing by
 There's no such thing as a perfect crime
 Don't play that, you've said it enough
 'Cause you want me, or you want me dead

(F Bb F Bb)
 I've got my hands up! (yeah, yeah)

I'm staring down the barrel of a loaded night (loaded night)
 I've got my hands up! (yeah, yeah)
 So do you want me?
 Or do you want me dead?
 Ponte:

Dead set on a get away
 I'm dead set on a get away
 I'm dead set on a get away
 I'm dead set on a get away

(Intro)
 I let it ride on a bad bet
 I doubled down on a sinking ship

I've got my hands up! (yeah, yeah)
 I'm staring down the barrel of a loaded night (loaded night)
 I've got my hands up! (yeah, yeah)
 So do you want me?
 What cha say?

I've got my hands up! (yeah, yeah)
 I'm staring down the barrel of a loaded night (loaded night)
 I've got my hands up! (yeah, yeah)
 So do you want me?
 Oh Oh Oh
 Do you want me?
 Do you want me Dead
