

All Time Low - Ground Control (feat. Tegan And Sara)

tom:

Intro: Bm D G Gbm E

Bm D
Ground control

What do the Gbm E books say about this one now?

I think we've Bm A D lost it all

There's Gbm E nothing to explain the distances any more

Bm A D
All systems are critical

Can't Gbm find my way back to you

Feels like there's E nowhere to go-oh-oh

Bm D
I'm just out here waiting for you to say

Don't Gbm be afraid, no

E A
If you start floating away

A
Hey!

D
The universe on your side when
You're out in space

Gbm
Don't you be afraid, no
E A
If you start floating away

A
Hey!

D
The universe on your side when
You're out in space

Gbm
Don't you be afraid, no
E Bm
If you start floating away

(D Gbm E)

Bm A D
Checking in

Gbm E
300 days with no reply now

Bm A D
I think I've lost my mind

Gbm E
There's nothing keeping me from going outside any more

Bm D
My systems are critical

Gbm
Gotta find my way back to you

E
Feels like I'm drifting away-oh-oh

Bm D
I'm just out here wishing that you would say

Gbm
Don't be afraid, no
E A
If you start floating away

A
Hey!

D
The universe on your side when
You're out in space

Gbm
Don't you be afraid, no
E A
If you start floating away

A
Hey!

D
The universe on your side when
You're out in space

Gbm
Don't you be afraid, no
E Bm
If you start floating away

(D Gbm E)

Bm D Gbm
We gotta make contact to make it out

E
We gotta make contact to make it
Bm D Gbm
We gotta make contact to make it out

E A
If you start floating away

A
Hey!

D
The universe on your side when
You're out in space

Gbm
Don't you be afraid, no
E A
If you start floating away

A
Hey!

D
The universe on your side when
You're out in space

Gbm
Don't you be afraid, no
E A
If you start floating away

(E D)

Gbm
Don't you be afraid, no
E A
If you start floating away
