

# All Time Low - Guts

Tom: **D**

Verso:

**G**  
Shooting for the stars

**Bm**  
Desperately reaching for something in the dark

**A**  
Pictures of memories buried in my heart

**Bm**  
Lie awake and dream of the endless possibilities

**A**  
Catch my breath and go for it

Pré-Refrão:

**G**  
Take apart

**Bm** **A**  
Everything that's holding me down

**G**  
Make a point

**Bm**  
To pick a new direction

**A**  
To make a new connection

Refrão:

**G**  
Is this what it feels like

**Bm** **A**  
Finding out that I've got the guts to say anything?

**G**  
Feels like breaking out

**Bm** **A**  
When I can give up my reputation

**Bm** **A**  
Finally, I can see

**G** **A**  
Honestly, I've got the guts to say anything

Verso:

**G**  
Bold enough to fall flat on my face

**Bm**  
When I walk as they crawl

**A** **G**  
Slowing down is just a waste of time to let go

**Bm**  
Tapping my fingers to the rhythm of a metronome

Counting opportunities

Pré-Refrão:

**G**

Take apart

**Bm** **A**  
A gravity that's holding me down

**G**  
Make a point

**Bm**  
To find the resolution

**A**  
To be my own solution

Refrão:

**G**  
Is this what it feels like

**Bm** **A**  
Finding out that I've got the guts to say anything?

**G**  
Feels like breaking out

**Bm** **A**  
When I can give up my reputation

**Bm** **A**  
Finally, I can see

**G** **A**  
Honestly, I've got the guts to say anything

**Bm**

Ponte:

**Bm**  
Let me go down, let me go, let me go down alone

**Gbm**  
Let me go down, just let me go down

**G**  
If I'm gonna go down, then just let me go

**A**  
Let me go down, let me go down, just let me go  
Let me go

**G Bm A x2**

Refrão:

It feels like finding out

**Bm** **A**  
That I've got the guts to say anything

**G**  
Feels like breaking out

**Bm** **A**  
When I can give up my reputation

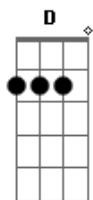

**Bm** **A**  
Finally, I can see

**G** **A**  
Honestly, I've got the guts to say anything

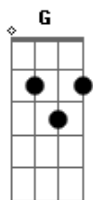

**Bm** **A**  
Finally, I can see

**G** **A**  
Honestly, I've got the guts to say anything
