Bm C G G
This bed's an island made of feather down and I'm stuck here alone

Bm C D D
With little else but memories of you on memory foam

Bm C G G
Visions of a brighter love I'd kill for one more day

Bm C D D
To pool my thoughts and find the words to say

C G Em D
If these sheets were the states and you were miles away (G)

Bm D)
I'd fold them end over end to bring you closer to me.

C G Em D
Because I don't sleep at all without you pressed up against me.

Am Am C C
I settle for long distance calls I'm lost in empty pillow talk again.

Bm C G G

This room's become a mausoleum filled with relics of regret

Bm C D D
Paying dues to every moment wasted on words left unsaid

To tell you how you make me better every day
