

# All Time Low - Keep The Change, You Flithy Animal

Tom: E  
 Intro: E B Dbm A Dbm B  
           E B Dbm A Abm Gbm

E B  
 Are you having trouble  
 Dbm A  
 finding sleep at night?  
 E B  
 Or does your lack of conscience  
           Dbm Abm A  
 tell you everything's al---right  
 E B  
 I trust your good intentions that  
           Dbm Abm A  
 you're watching over friend  
           Gbm  
 You must think that I'm crazy if  
           A  
 I don't see through that plan

          E  
 So tell me what your best  
           B A  
 friend knows that I don't know  
           E  
 Tell me why you talk me  
           B A  
 down wherever you go  
           E  
 You're a saint you're a queen  
           B  
 And I'm just another  
 Dbm Abm A  
 boy without a crown  
           Gbm  
 Tell me why you sell me  
           A  
 out every where you go  
           B  
 I just wanna know what  
 your best friend knows

E B  
 So vindictive you'll  
           Dbm A  
 say anything you like  
           E  
 The smile you fake  
           B  
 the steps you take  
           Dbm  
 You know you never  
           E A  
 could get it right  
 E B  
 Talk is cheep so make believe  
           Dbm E A  
 your secrets find a grave  
           Gbm  
 It's to late you gave up your  
 E A  
 last chance to walk away

          E  
 So tell me what your best  
           B A  
 friend knows that I don't know  
           E  
 Tell me why you talk me  
           B A  
 down wherever you go  
           E  
 You're a saint you're a queen

B  
 And I'm just another  
 Dbm Abm A  
 boy without a crown  
           Gbm  
 Tell me why you sell me  
           A  
 out every where you go  
           B  
 I just wanna know what  
 your best friend knows

E  
 You stand a little to tall  
 say a little to much  
 Gonna bite that know  
 it all tongue  
 A  
 You tried a little to hard  
 now I'm calling that bluff  
 Big plans are coming undone  
 E  
 That's just typical  
 you're so cynical  
 A  
 Couldn't have me  
 I didn't want you  
 You're selling me out to the  
 girl I can't afford to lose  
 E  
 You stand a little to tall  
 say a little to much  
 Gonna bite that know  
 it all tongue  
 A  
 You tried a little to hard  
 now I'm calling that bluff  
 Big plans are coming undone  
 E  
 That's just typical  
 you're so cynical  
 A  
 Couldn't have me  
 I didn't want you  
 You set yourself up to lose  
           E  
 So tell me what your best  
           B A  
 friend knows that I don't know  
           E  
 Tell me why you talk me  
           B A  
 down wherever you go  
           E  
 You're a saint you're a queen  
           B  
 And I'm just another  
 Dbm Abm A  
 boy without a crown  
           Gbm  
 Tell me why you sell me  
           A  
 out every where you go  
           B  
 I just wanna know what  
 your best friend knows

E B Dbm  
 What your best friend knows  
           A Dbm B  
 I'm ever gonna let this go  
           E B Dbm A Abm Gbm  
 What your best friend knows

## Acordes
