

All Time Low - Monsters (feat. Blackbear)

tom:
G

Bm D A Bm
Why do all the monsters come out at night?
D A Bm
Why do we sleep where we want to hide?
D A Bm
Why do I run back to you like
Bm
I don't mind if you fuck up my life?

Bm
Another day, another headache
D A
In this hangover hotel
Bm
Getting used to the rhythm
D A
Yea, I know this beat too well
Bm
Tunnel vision?s got me feeling
D A
Like you're the only one I see
Bm
But I know what's missing, when I'm swimming
In my lonely luxury

I'm wondering
G D A Bm
Why do all the monsters come out at night?
Gbm G
Why do we sleep where we want to hide?
D A Bm
Why do I run back to you, like
I don't mind if you fuck up my life?
G D A Bm
Why am I sucker for all your lies?
Gbm G
Strung out like laundry on every line
D A Bm
Why do I come back to you, like
I don't mind if you fuck up my life?

I'm addicted to the way you hurt
The way you contradict me
Bm
I swear everything looks worse at night
D A
I think I'm overthinking
Bm
I don't care who I might hurt along the way
I'm fucking sinking into every word
D A
I don't care if you're lying when I'm drinking, so
Tell me pretty lies
Look me in my face
Bm
Tell me that you love me
D A
Even if it's fake
Bm
And you can lead me on

And leave these questions in my sheets
I'm under it
I made my bed and I'm still

I'm wondering
G D A Bm
Why do all the monsters come out at night?
