

# All Time Low - Monsters (feat. Blackbear)

tom:  
 G

Why do all the monsters come out at night? Bm D A Bm  
 Why do we sleep where we want to hide? D A Bm  
 Why do I run back to you like D A Bm  
 I don't mind if you fuck up my life? Bm

Another day, another headache Bm  
 In this hangover hotel D A  
 Getting used to the rhythm Bm  
 Yea, I know this beat too well D A  
 Tunnel vision?s got me feeling Bm  
 Like you're the only one I see D A  
 But I know what's missing, when I'm swimming Bm  
 In my lonely luxury

I'm wondering  
 Why do all the monsters come out at night? G D A Bm  
 Why do we sleep where we want to hide? Gbm G  
 Why do I run back to you, like D A Bm  
 I don't mind if you fuck up my life?  
 Why am I sucker for all your lies? G D A Bm  
 Strung out like laundry on every line Gbm G  
 Why do I come back to you, like D A Bm  
 I don't mind if you fuck up my life?

I'm addicted to the way you hurt  
 The way you contradict me  
 I swear everything looks worse at night Bm  
 I think I'm overthinking D A  
 I don't care who I might hurt along the way Bm  
 I'm fucking sinking into every word  
 I don't care if you're lying when I'm drinking, so D A

Tell me pretty lies  
 Look me in my face  
 Tell me that you love me Bm  
 Even if it's fake D A  
 And you can lead me on Bm

And leave these questions in my sheets  
 I'm under it  
 I made my bed and I'm still

I'm wondering  
 Why do all the monsters come out at night? G D A Bm  
 Why do we sleep where we want to hide? Gbm G  
 Why do I run back to you, like D A Bm  
 I don't mind if you fuck up my life?  
 Why am I sucker for all your lies? G D A Bm  
 Strung out like laundry on every line Gbm G  
 Why do I come back to you, like D A Bm  
 I don't mind if you fuck up my life?

 Thinking about you Bm  
 You're in my head D  
 Even without you I still feel dead A Bm
