

All Time Low - No Idea

Tom: Gb
Intro: Gb Db

Gb Db
I was dreamin' we were running from a city burning down,
down, down.
Gb Db
Made a break, a new escape, and let the world crash, down,
down, down.

Gb
Now there's a piece of me,
Tells me I shouldn't leave,
Db
Everytime I see your face.
(Everytime I see your face.)

Gb
Because everytime,
You come around,
Db
Love you take my breath away.

Gb Db
And I just wanna breathe until I take you in.
Gb Db
I never want you to leave until I take you in.
(But the truth is...)

Gb
She has no idea (no idea),
Bb
That I'm even here (that I'm even here).
Gb
She has no idea (no idea),
Bb
That I'm even here (that I'm even here).

Gb Db
Get a grip, slip and trip, oh the clumsy carries words, words,
words.
Gb Db
Paper-thin fingerprints on a softly spoken verse, verse,
verse.

Gb
Now there's so much of me,
Tells me not to leave,
Db
Everytime I see your face.
(Everytime I see your face.)

Gb
Because your the type,
You come around,
Db
How do you take my breath away.

Gb Db

And I just wanna breathe until I take you in.
Gb Db
I never want you to leave until I take you in.
(But the truth is...)

Gb
She has no idea (no idea),
Bb
That I'm even here (that I'm even here).
Gb
She has no idea (no idea),
Bb
That I'm even here (that I'm even here).

Gb Db
She's so close when I'm so far away, when I'm so far away,
Let me dream, let me stay.

Gb Db
She's so close when I'm so far away, when I'm so far away,
I can sleep, I can dream, I can change...

Gb
(Has no idea) Bb
But I'm so far away,
(That I'm even here.)

Gb
(She has no idea,)
Bb
Now I'm so far away.
(That I'm even here.)
