

# All Time Low - Poppin'

Tom: D

(verse)

(N.C.)  
 You've got me poppin' champagne **Bm**

I'm at it again **A**

**Caught** up in the moment **Gbm**

But not in the right way **G**

I'm falling in between **Bm**

Tearing up at the seams **A**

We're just aiming to please **Gbm**

And aesthetics don't hurt one bit **G**

(bridge)

**Gbm** **G**  
 So follow me down

**A**  
 Take this all the way

**Gbm**  
 Any way you want to

(chorus)

**D**  
 Why don't you say so?

I think i'm caught in between  
**Gbm** **G**  
 The nights and days fly by

When i'm lost on the streets  
**Bm** **A** **G**  
 And my eyes, they despise you for who i am

Why don't you say so?

Why don't you say so?

( **Bm** **A** **Gbm** **G** )

(verse)

(n.c.)  
 You've got me thinking that  
**Bm**

Lately i've been wishing **Gbm**

The television set would show me more **A**

Than just a picture of the things i've grown to detest **Bm** **A**

I strip down my dignity **Gbm**

They can take all of me **G**

But they won't ever take what i still believe

(bridge)

**Gbm** **G**  
 So follow me down

**A**  
 Take this all the way

**Gbm**  
 Any way you want to

(chorus)

**D**  
 Why don't you say so?

I think i'm caught in between  
**Gbm** **G**  
 The nights and days fly by

When i'm lost on the streets  
**Bm** **A** **G**  
 And my eyes, they despise you for who i am

Why don't you say so?

Why don't you say so?

**D**  
 Give up and let go

I'm just a boy with a dream  
**Gbm** **G**  
 And you can take one look

As i fall in between  
**Bm** **A** **G**  
 With my eyes just as wide as my mouth can be

Why don't you say so?

Why don't you say so? **D**

(Middle 8)

**Gbm** **G**  
 I know, i know, i know **D** **A**

That there's a place for me somewhere out there  
**Gbm** **G** **D** **A**  
 I know, i know, i know

That there's a place for me somewhere out there **D** **A**

( **Bm** **D** **A** **G** )

(chorus)

**D** (strum once)  
 Why don't you say so?

I think i'm caught in between  
**Gbm** (strum once) **G** (strum once)  
 The nights and days fly by

When i'm lost on the streets  
**Bm** **A** **G**  
 My eyes, they despise you for who i am

Why don't you say so?

Why don't you say so?

**D**  
 Give up and let go

I'm just a boy with a dream  
**Gbm** **G**  
 And you can take one look

As i fall in between  
**Bm** **A** **G**  
 With my eyes just as wide as my mouth can be

Why don't you say so?

Why don't you say so?

(end on **D** )
