

All Time Low - Something's Gotta Give

Tom: E
Intro: E E E E

Verso 1:

I woke up in a strangers bed with pins and needles in my head

And the clock ticking off the wall

Oh yeah, oh yeah

I don't even know myself

I wish I could be someone else

But I don't have a clue at all

Oh yeah

Pré-Refrão:

Oooo's

I'm sinking,

You're waiting

I'm thinking something's gotta give

Refrão:

Wake me up, say enough is enough

I'm dying to live

Something's gotta give

Pull me out of this sinking town

I'm dying to live

Something's gotta give

Verso 2:

Maybe I'm a fucking waste

Filling up the empty space

I've been here way too long

Oh yeah, oh yeah

I'm feeling like a nervous wreck

Living on the last paycheck

I'm the cliché in a song

And everybody's singing along

Pré-Refrão:

Oooo's

I'm sinking

You're waiting

I'm thinking something's gotta give

Refrão:

Wake me up, say enough is enough

I'm dying to live

Something's gotta give

Pull me out of this sinking town

I'm dying to live

Something's gotta give

Ponte:

Someone please come pull me out from the shadow of my doubt

Wake me up, I'm falling?

Refrão:

Wake me up, say enough is enough

I'm dying to live

Something's gotta give

Pull me out of this sinking town

I'm dying to live

Something's gotta give

Final:

I'm sinking

You're waiting

I'm thinking something's gotta give

Pull me out of this sinking town

I'm dying to live

Something's gotta give
