

# All Time Low - Therapy

Tom: A

(intro)

(verso)

My ship went down in a sea of sound  
 When I woke up alone I had everything  
 A handful of moments I wished I could change  
 And a tongue like a nightmare that cut like a blade  
 In a city of fools I was careful and cool  
 But they tore me apart like a hurricane  
 A handful of moments  
 I wish I could change but I was carried away

(refrão)

Give me therapy  
 I'm a walking travesty  
 But I'm smiling at everything  
 Therapy, you were never a friend to me  
 And you can keep all your misery.

(verso)

My lungs gave out  
 As i faced the crowd  
 I think that keeping this up could be dangerous  
 I'm flesh and bone  
 I'm a rolling stone  
 and the experts say I'm delirious

(refrão)

Give me therapy  
 I'm a walking travesty  
 But I'm smiling at everything  
 Therapy, you were never a friend to me  
 And you can keep all your misery.

(ponte)

Arrogant boy, love yourself so no one has to  
 They're better off without you  
 (They're better off without you)  
 Arrogant boy, cause a scene like you're supposed to  
 They'll fall asleep without you  
 You're lucky if your memory remains

(refrão)

(abafado)

Give me therapy  
 I'm a walking travesty  
 But I'm smiling at everything

(normal)

Therapy, you were never a friend to me  
 And you can take back your misery  
 Therapy  
 I'm a walking travesty  
 But I'm smiling at everything  
 Therapy, you were never a friend to me  
 And you can choke on your misery.
