

# All Time Low - Therapy

Tom: A  
Intro:

Verso:  
 My ship went down in a sea of sound  
 When I woke up alone I had everything  
 A handful of moments I wished I could change  
 And a tongue like a nightmare that cut like a blade  
 In a city of fools I was careful and cool  
 But they tore me apart like a hurricane  
 A handful of moments  
 I wish I could change but I was carried away

Refrão:  
 Give me therapy  
 I'm a walking travesty  
 But I'm smiling at everything  
 Therapy, you were never a friend to me  
 And you can keep all your misery.

Verso 2:  
 My lungs gave out  
 As i faced the crowd  
 I think that keeping this up could be dangerous  
 I'm flesh and bone  
 I'm a rolling stone  
 and the experts say I'm delirious

Refrão:  
 Give me therapy  
 I'm a walking travesty  
 But I'm smiling at everything  
 Therapy, you were never a friend to me  
 And you can take back your misery  
 Ponte:  
 Arrogant boy, love yourself so no one has to  
 They're better off without you  
 (They're better off without you)  
 Arrogant boy, cause a scene like you're supposed to  
 They'll fall asleep without you  
 You're lucky if your memory remains

Refrão:  
 Give me therapy  
 I'm a walking travesty  
 But I'm smiling at everything  
 Therapy, you were never a friend to me  
 And you can take back your misery  
 Therapy  
 I'm a walking travesty  
 But I'm smiling at everything  
 Therapy, you were never a friend to me  
 And you can choke on your misery.
