Tom: D
Intro: 2x: Bm G A

G D
From the get-go I knew this was hard to hold,
G D
Like a crash the whole thing spun out of control,

To kids no consequences,
E
Pull the trigger without thinking,
G
There's only one way down this road,

It was like a time-bomb started in motion,
A
We were only destined to explode,
Bm
If I had to pull you out of a wreckage,
G A
I would never let you go,
Bm
We're like a time-bomb,
G A
Gonna lose it let's diffuse it,
Bm
Baby we're like a time-bomb but I need it,
G A
Wouldn't have it any other way,

(G)

G D
Well there's no way out of this so let's stay in,

Have a storm that could just soak us to an end,

Like a bullet shooting a lesson,
