

All Time Low - Weightless

Tom: D

^G manage me, I'm a mess ^A
^D turn a page, I'm a book half unread ^G
^G I wanna be laughed at, laughed with just because ^A
^D I wanna feel weightless and that should be enough ^G
^G but I'm stuck in this fucking rut
^A waiting on a second hand pick me up
^D And I'm over getting older ^G
^G If I could just find the time
^A Then I would never let another day go by
^D I'm over getting old

[Chorus]

^G Maybe it's not my weekend
^D But it's gonna be my year ^A
^A And I'm so sick of watching ^B ^D ^{Gb} ^G
^D While the minutes pass as I go nowhere ^A
^{Bm} And this is my reaction to everything I fear ^A ^G
^D Cause I've been going crazy ^G
^A

I don't wanna waste another minute here

^G Make believe that I impress ^A
^D That every word by design turns a head ^G
^G I wanna feel reckless
^A Wanna live it up just because
^D I wanna feel weightless cause that would be enough ^G
^G If I could just find the time
^A Then I would never let another day go by
^D I'm over getting old

[Chorus]

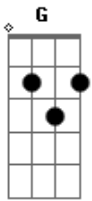

^{Bm} This could be all I've waited for ^G ^D
^{Bm} This could be everything ^G
^A I don't wanna dream anymore
^D Maybe it's not my weekend
^E But it's gonna be my year
^G And I've been going crazy
^D I'm stuck in here

[Chorus]
