[Primeira Parte]

E D A E
 I watch the sun come up each morning
 E D A E
 And there's some things I'd rather do
 E D A E
 If you were only right beside me
 E D A E
 Oh I know I'd make it through
 E D A E
 I'm burning up outside of heaven
 E D A E
 Counted all my red n' blue
 E D A E
 And all the ways to waste the daylight
 E D A E
 I'm just waiting here for you

[Segunda Parte]

E D A E
 Now I know I've gone the wrong way
 E D A E
 And all the love's been washed away
 E D A E
 Tomorrow's such a long way off now
 E D A E
 Looks like another perfect day
