tom:

[Intro] Eb Bb

Eb Bb Bb

People say I
Got an old soul
Maybe that's right

People say I
Got an old soul
Maybe that's right

But if time is just a Idea
My soul don't got no age
(Eb Bb Eb Bb)

I cherish the classics, They're my Groove
Yet embrace the modern, thats my move

Old and new, they both enthrall
In my books or online, i find it all

I cherish the classics, They're my Groove
Yet embrace the modern, thats my move

Old and new, they both enthrall
In my books or online, i find it all

Maybe I have na old soul...Maybe I have
Maybe i have na old soul, maybe i have
They say i have na old soul!
