

Allanis Menuci - Climate Change

tom:
 F
 [Primeira Parte]
 I'm a winter person
 Though I'm not used to the snow
 Could be a night owl
 Travelling around the globe
 My clock isn't settled
 So I fly around my dreams
 I blow the candle and I see I'm almost 18
 I search by midnight
 Things that could distract myself from over thinking
 I feel like I might need some help
 I had this nightmare I was threatned I can't tell
 But inside this nightmare I didn't end so well
 [Pré-Refrão]
 Gbm
 Grabbed my scarf it was wrapped
 And my gloves were so small
 My umbrella was broken afterall
 Gbm
 Wasn't used to this avalanche
 Called anxiety in my door
 Now I don't know myself anymore
 [Refrão]
 F
 I wish I could stop
 Could go back on time
 I wish I had prayed before I sleep
 Didn't see the phone
 Expect someone to see how amazing I can be
 I wish I could have learned to deal with the weather
 Could have been best friend of the snow men
 I wish I could have learned to ski back to the sea
 [Segunda Parte]
 F
 I forgot my charger
 How will I talk with my friend?
 F

I am feeling high
 Though never touched a drug since him
 I am trying harder
 But the fire won't work here
 Even if it's 10 degrees
 Gbm
 I told my parents I was only buying food
 My pills were like ending
 Without them I couldn't go through
 Gbm
 Society tells me I should learn to live alone
 And I am so lonely guess I never understood
 [Pré-Refrão]
 F
 Grabbed my phone it was almost dying
 G
 And my story couldn't post
 F
 I was singing my voice stopped
 G
 Must be the rope in my throat
 F
 Wasn't used to this avalanche
 G
 Of loneliness and wanting more
 F
 Now I don't know what to do anymore
 [Refrão]
 F
 I wish I could stop
 Could go back on time
 G
 I wish I had thanked before I sleep
 F
 Didn't cry alone
 G
 Expect my friends to realize how important I could be
 F
 I wish I could have learned to deal with the weather
 Am
 Could have learned to make a snowball
 F
 I wish I could have learned how to snowboard afterall
 F
 The fire is down
 G
 My battery is gone
 D
 The weather is lowering
 Bm
 I'm feeling alone
 F
 Insomnia my only friend
 G
 Told me I'll be alright
 F
 Only if I can get through this night
