

Alle Farben - Alright

tom:

Am

[Refrão]

I'll be alright
 It's gonna hurt me for a while, but I'll be fine
 I might go crazy and I fall into the night
 I try forget you with a stranger by my side
 But in time

[Primeira Parte]

Wishing that this is forever
 Wake me up, say it's a dream (oho)
 Everything's better together
 Guess we were never meant to be (mhm)
 Wake me up when this is over
 Cut me off so I can leave
 Drunk on love like we were never sober
 I knew I had to let it be

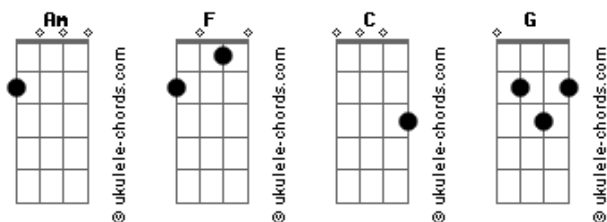

[Refrão]

I'll be alright
 It's gonna hurt me for a while, but I'll be fine
 I might go crazy and I fall into the night
 I try forget you with a stranger by my side
 But in time, I'll be alright
 It's gonna hurt me for a while, but I'll be fine
 I might get wasted 'cause I'm lonely deep inside
 I'm gonna miss you, and it's gonna make me cry
 But in time, I'll be alright

[Segunda Parte]

Feels like I'm runnin' in circles
 I need you here to lead me out

Acordes

Guess that I just hope for a miracle
 I wish that you were with me now

[Refrão]

I'll be alright
 It's gonna hurt me for a while, but I'll be fine
 I might go crazy and I fall into the night
 I try forget you with a stranger by my side
 But in time

I'll be alright

Be alright
 Be alright
 Be alright
 I'll be alright
 Be alright
 Be alright (I'll be alright)
 Be alright

I'll be alright
 It's gonna hurt me for a while, but I'll be fine
 I might get wasted 'cause I'm lonely deep inside
 I'm gonna miss you, and it's gonna make me cry
 But in time, I'll be alright
 Be alright
 Be alright (I'll be alright)
 Be alright (I might get wasted 'cause I'm lonely
 Deep inside)
 Be alright
 Be alright (I'll be alright)
 Be alright
 I'll be alright
 Be alright
 Be alright
