[Verse 1]
Oh, if I could see into the depths of what makes you, hey,
you, then I could give you all that love that you pursue,
But I, I

[Verse 2]
Well, I am just a man, and I just can't pretend,
That the essence of your being is easy to understand,
But I, I,
Well, I, I, I

[Chorus 1]
Well, baby, 'cause I know this is complicated,
But I won't let this love get wasted,
We can figure it out, We can figure it out,
And I know that we both need healing,
But I won't forget all my feelings,
We can figure it out, We can figure it out

(E7M)
[Verse 3]
I assure you you're the one, I just
can't control my tongue,
And I say things I would have never said, no,

When our love was young,
But I, I,

[Verse 4]
Let's get back to the basics, let's rebuke all the critics,
Let's get back to the foundation, let's revisit our classics,
Oh, well, I, I

Am7 B7sus4

We can figure it out, We can figure it out
