

# Allie X - Symon Says

Tom: E

**Dbm**  
 Everyday I put my hands on my head  
**A**  
 Everyday my fingers are a gun  
**Gbm**  
 Everyday I'm making strange faces  
**Ab**  
 Everyday I'm sticking out my tongue  
**Dbm**  
 Everyday I take a step backwards  
**A**  
 Every night I bend and touch my toes  
**Gbm**  
 But I'm never taking any action  
**Ab**  
 Not unless my baby says so

**Dbm**  
 My mom says I'll fade away  
**A**  
 My sister says that she's scared  
**Gbm**  
 My dad says I let him down  
**Ab**  
 But I dont care

**Dbm**  
 Cause Simon says na na na na na na  
**A**  
 I'm the best na na na na na na  
**Gbm**  
 I'm his princess na na na na na na  
**Ab**  
 Hey! Ha ha ha  
**Dbm**  
 When Simon says na na na na na na  
**A**  
 You're the best  
**Gbm**  
 I say yes na na na na na na  
**Ab**  
 Hey! Ha ha ha

**Dbm**

Everyday in every way's a puzzle  
**A**  
 Pieces of a person and a game  
**Gbm**  
 Love is still a mystey to me but  
**Ab**  
 Watch me move when I hear his name  
**Dbm**  
 And I don't wanna talk about it right now  
**A**  
 I'd rather keep my visions to myself  
**Gbm**  
 Everybody wants to block my man out  
**Ab**  
 But he's the only one who's gonna help!

**Dbm**  
 Mean when my mind is weak  
**A**  
 And I'm gasping for air  
**Gbm**  
 They all say I've got to stop  
**Ab**  
 But I dont care

**Dbm**  
 Cause Simon says na na na na na na  
**A**  
 I'm the best na na na na na na  
**Gbm**  
 I'm his princess na na na na na na  
**Ab**  
 Hey! Ha ha ha  
**Dbm**  
 When Simon says na na na na na na  
**A**  
 You're the best  
**Gbm**  
 I say yes na na na na na na

( **Ab** )
