

Allie X - Too Much To Dream

Tom: E

E
 There's a place I can go
 Where the rides never close
 Ab
 Come on down

E
 It's a barrel of fun
 Spinning round till I'm numb
 Ab
 On this merry-go-round

Gbm B
 Going riding, riding, riding from me

E
 Anyone can see
 B
 That I've had too much to dream
 Gbm
 I'm singing till I'm screaming
 Dbm B
 Dancing till I'm bleeding

E
 A cruel reality
 B
 When you've had too much to dream
 Gbm
 Better keep your eyes shut
 Dbm E
 Cause you don't wanna wake up

E
 Through the mouth of a clown
 Take the zipper, go down
 Ab
 What a thrill

E
 All the cocktails are pink
 Wet your lips, you can drink
 Ab
 Till you get your fill

Gbm B
 Going riding, riding, riding from me

E
 Anyone can see
 B
 That I've had too much to dream
 Gbm
 I'm singing till I'm screaming
 Dbm B
 Dancing till I'm bleeding
