

# Allison Ambrósio - Faço Menção de Ti

tom:

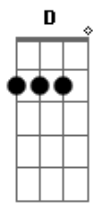

Tu me escondes na concha das tuas mãos  
 Te apressas a escutar o meu gemido  
 Tu removes a dor do coração  
 De forma a parecer nem ter havido

Tu és minha fortaleza, meu refugio e proteção

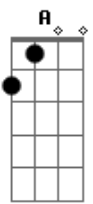

Uma luz a clarear meu vale escuro  
 Tu me ensinas como pai, me mostrando a direção  
 Um torre forte onde estou seguro

Uns confiam em carros, outros em cavalos  
 Mas eu faço menção de Ti Senhor  
 Uns confiam em carros, outros em cavalos  
 Mas eu faço menção de Ti
