

Almir Morisson - Estou Aqui

tom:

Mais uma vez amanheceu
 Um novo dia a explorar
 Olho no espelho o rosto meu
 Quero bem mais pra recordar

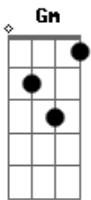

Com o amanhecer, a claridade
 Revela aos poucos a natureza
 Bendigo o peso da minha idade

Pra melhor desfrutar dessa beleza

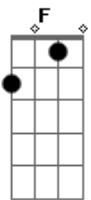

Nas paredes de casa os retratos
 Momentos eternizados a me dizer
 Que a vida vivi bem, de fato
 E ainda estou aprendendo a viver

Mais uma vez amanheci
 Anda estou vivo, estou aqui
 Estou aqui
