

## Alok - All The Lies

```
You said I didn't need to worry
Intro: Abm Db Gb B
                                                                       В
                                                        We?d get along 'cause he's so cool
                                                        Dh
We were gonna go to Paris
Gb B
We were gonna get tattoos
                                                                       Db
                                                        You tell me all the things I wanna heeeear
Abm Db Gb
Told my mama I would marry you
                                                         Abm Db Gb B
                                                        When I'm gone, you say you want me neeeear \begin{tabular}{ll} Abm & Db & Gb & B \end{tabular}
