tom:
 Dm
 These sounds fall into my mine
 Dm Dm Dm Dm
 These sounds fall into my mine
 Am Bb Gm C7
 I can get down, i can get lonely
 Dm Dm Dm Dm
 Every time i think about the highs
 Am Bb Gm C7
 Yeah, messed me around and now you keep calling
 Dm Dm Dm Dm
 Wondering if you can make it right
 Am Dm Gm C7
 But i told you, it's the end for you and i
 Am Dm Am Dm
 Swear this time we're through, but it's a lie
 Am Dm Gm C7
 When you call my name, yeah, ooh, that sounds

Am Dm Am Dm
 So right, so right, so right
 Am Bb Gm C7
 Deep down, wishing you were mine
 Dm Am Gm
 Deep down, miss you all the time
 Am Bb Gm C7
 Dream 'bout what we could've been if we tried, oh
 Dm Am Gm
 But deep down, wishing you were mine, were mine
 Am Bb Gm C7
 Deep down, you got me so deep down, i wanna go
 Am Bb Gm C7
 Yeah, i need to be strong (Mmm) as soon as i see ya
 Dm Dm Dm Dm
 You can turn my tables back around so easy
 Am Bb Gm C7
 You got the control, soon as you speak, yeah
 Dm Dm Dm
 Gets me kinda crazy, kinda foolish
